

Washington State (Puyallup) Fair
PNNA booth in Hobby Hall
Volunteer Signup Instructions
2019 Fair

Please see the PNNA Fair Schedule on the next page for available volunteer shift times.

Message from PNNA Fair Coordinator Rick Schulz:

Here is the new schedule for the Washington State Fair. I've modified it a bit from last year to have three spots for the 10am-2pm and 2-6pm shifts. When you find a shift you'd like to sign up for, just send me an email or call and I'll add it to the schedule. An updated schedule will be posted on the PNNA website, usually within a day or two. For privacy, when a selected shift is shown on this schedule it will be mostly starred out. For example: My shifts (Rick Schulz) will show as R*****z. Shifts will be assigned on a first come, first served basis so you are encouraged to sign up early. If there is a conflict, I will get back to you to get it resolved. If you plan to work a shift with someone else, please make sure their name is included on the schedule.

For more information about the Fair or the schedule, or to sign up for a shift, email Rick Schulz at richardf53@yahoo.com, or call 253-535-0690.
