Third Quarter

2013

July-August-September

President's Message

by PNNA President Danny Bisgaard

As I write this quarter's column, the weather is great in Salem – 82 degrees!

Please continue to support your local coin clubs. They are the lifeblood of the hobby and your expertise continues to motivate the YNs that are thirsty for your knowledge.

Speaking of summer, the planning is already underway for the Puyallup Fair and our exhibit in the Hobby Hall. Dates of the Fair are September 6-22. Volunteers are needed to staff the exhibit – please contact Rick Schulz by e-mail, richardf53@yahoo.com, or by phone, 253-535-0690. The penny pressing machine will be at the Fair. I encourage every local member to volunteer – it is a great way to give back to the organization. Admission to the Fair is free to those that do volunteer.

As the Board gets ready to meet this summer, we continue to need the memberships' help:

Fill out the interest survey by July 31 for a chance at the drawing of cold cash.

Contact Larry Gaye, lgaius.larry@gmail.com, to help at the Portland Show – October 5-6 at the Lloyd Center Doubletree Hotel.

Contact Ed Fischer, edoregon@comcast.net, about the redesign of the PNNA logo and medal designs for the upcoming PNNA 75th anniversary in 2015.

Please consider serving on the Board; new elections will be held in 2014.

As we continue to mention, the Northwest has been honored by the awarding of the ANA National Money Show in Portland, Oregon, March 3-7, 2015. Please contact us if you are willing to serve on the various committees that are needed to make this show a success.

In addition, if you have ideas for the PNNA medal, you might want to consider a design that will befit the ANA convention as well, since both activities are taking place in 2015.

Projected Board Meeting Dates and Locations:

- July 27, 2013 at Spiffy's Restaurant near Chehalis, I-5 milepost 68, from 11:00 a.m. to 1:00 p.m.
- Oct. 5, 2013 at the PNNA-Willamette Annual Convention, Doubletree Hotel, Portland, OR

Have a great "numismatic" summer – consider attending the Northwest Token and Medal Society Annual Convention at the Clackamas Oregon Banquet Center, July 13-14 (contact Mike Patton), or the ANA World's Fair of Money show in Chicago, August 13-17. (Please see www.worldsfairofmoney.com for more information.)

Hope to see many of you this summer.

Puyallup Fair Time!

I am sure most of you know, every year the PNNA sponsors a coin collecting display at the Puyallup Fair and every year the PNNA coordinator for this event is tasked with signing up volunteers to staff the display throughout the run of the Fair. Our coordinator this year is Rick Schulz. Most volunteers Rick signs up are from clubs in the Puget Sound area, generally from Olympia to Everett. Previously Rick reached out and signed volunteers from south of the Columbia River. This year he would like to continue to reach out to all PNNA member clubs. If any members of your local club are interested in working the Fair have them get in touch with Rick at the phone number or email address below.

So why would anyone want to travel a couple hundred miles just to go to a fair? It's not just a fair, its The Fair. The Puyallup Fair routinely ranks as one of the top fairs in the country and occasionally ranks in the top five. And, everyone has fun in the Hobby Hall!

The Fair offers big name entertainment every night. There have been volunteers that have scheduled their shifts to coincide with the day their favorite entertainer is performing. Have fun at the Hobby Hall, see the rest of the Fair and enjoy the evening shows!

So, what are we asking of you? The coin collecting display consists of a large glass display case filled with coins, currency and other numismatic related items. Next to the case is a desk with enough area for two to three to sit comfortably. During the hours the Hobby Hall is open volunteers will greet visitors and answer their coin-related questions. We understand that nobody knows everything and you may have to refer visitors to other sources of information. Lists of local coin clubs and coin show calendars will be available to assist you. Your biggest job will be to play the penny game with the kids. If the kids can find their birth year in a tray of pennies they can have it all 2x2'd up as a souvenir. There will also be a tray of foreign coins for handouts.

So what do you get for volunteering besides interacting with scores of Fair goers? You get free passes to the Fair and free parking in employee lots. A few park-

ing passes will be available for closer-in lots. If you sign up for any four-hour shift you'll have eight hours to do the Puyallup. A table top locking display case will be available at the Hobby Hall display so you can show off some of your own collection.

The Puyallup Fair runs from September 6 through September 22. Every day of the Fair we need to fill three four-hour shifts. Shifts run from 10AM-2PM, 2PM-6PM and 6PM to 10PM.

If you are interested in volunteering and having a lot of fun or just interested in more information at this time contact Rick Schulz at 253-535-0690 or email richardf53@yahoo.com.

If you're interested in what the Puyallup Fair has to offer check out their web site, www.thefair.com.

By the way, Rick is also the PNNA Club Rep Program Coordinator, so also contact him if you would like information about that program.

PNNA 64th Annual Convention, April 12-14, 2013 in Tukwila

The biggest annual coin show in the Pacific Northwest, sponsored by the Pacific Northwest Numismatic Association (PNNA) and now in its 13th year in Tukwila, was once again a big success, with strong attendance despite an unexpected dip in bullion prices on the opening day of the show. Total three-day paid attendance was 1,087 with 348 Friday, 544 Saturday and 195 Sunday.

In addition to bourse activity, there were exhibits, awards, numismatic theater and club meetings on Saturday, and a popular Young Numismatists (YN) program.

Juniors on the bourse floor were excited to have the opportunity to complete a set of numismatic items as part of the Young Numismatist (YN) "Treasure Hunt" game. Participation was excellent as always, with the program once again conducted this year by ANA VP Walt Ostromecki.

A Boy Scout workshop was conducted on Saturday by James Reinders.

There were four collector exhibits this year, all of which were quite interesting!

"Squished" or elongated cents were available as souvenirs, thanks to the PNNA's new machine!

Special thanks to Mike Labosier for serving as general chairman for the 2013 convention. This was Mike's last convention as chairman. Mike served in that capacity four years, from 2010 to 2013.

The PNNA is pleased to announce that the association's annual convention will again be held at the Tukwila Community Center, May 2-4, 2014. The new convention chairman is Kevin Charboneau.

See more photos and reports, including Walt Ostromecki's report, on the PNNA website at:

PNNA Board Meeting Minutes

13 April 2013, Tukwila, Washington

Members in Attendance: Danny Bisgaard, President; Lisa Loos, Past President; James Reinders, Vice President; Michael Labosier, Secretary; Scott Loos, Treasurer; John Brown, Director; Ed Fischer, Director; Mark Gruner, Director; Eric Holcomb, Editor, Webmaster; William McKivor, Director; Gawain O'Connor, Director; Rick Schulz, Director; Dan Vornbrock, Director.

Members Absent: Dale Reubish, Director; Dennis Stevens, Director; Jesse Torres, Director.

Guests in Attendance: James Free; Kevin Charboneau; Scott McLaine; Jason Mavity; Walter Ostromecki, ANA Vice President; Jon Wasserman.

The board meeting was called to order by President Danny Bisgaard at 8:00 a.m. Danny welcomed the board members and guests.

Secretary's Report: Danny called for any changes or corrections to the minutes of the January 19, 2013 board meeting. The minutes were approved with no changes (Lisa/Mark). Mike then reported on club correspondence, which included a revenue sharing opportunity with an online coin supplies provider and a club nomination request from ANA VP candidate Jeff Garrett. Both items were forwarded to Danny for consideration. Danny led a brief discussion of the online opportunity, which was declined, and of the request from Jeff Garrett, which failed to attract enough support for the club nomination.

Treasurer's Report: Scott reviewed the PNNA's financial reports through March 31, 2013. Revenues for the first quarter totaled \$8,708, with \$7,655 of that attributable to convention income. Total expenses of \$4,128 included convention expenses of \$2,209. The Association held cash of \$83,338 at March 31, mostly invested in money market accounts. Fund balances included \$70,885 held in the general fund, \$4,681 in the life member fund, and \$7,772 in the Bob Everett Memorial fund. The Treasurer's report was accepted by the board (Bill/Dan).

Committee Reports:

Convention – Scott noted that the spring convention bourse was again sold out. Mike reported a smooth start to the show on Friday and paid attendance the first afternoon/evening of 350. Mike gave special thanks to Tony Kalt for stepping in on short notice to organize the YN treasure hunt and to Dan Vornbrock for handling the hospitality food and drink at this year's show. Scott announced that next year's convention would be held at the same location on May 2-4, 2014.

Exhibit – Dan reported that four exhibits were expected on Saturday, all of them competitive.

Membership – Lisa completed the new tri-fold membership flyer and had them available for convention

attendees. Lisa proposed conducting a survey to identify the benefits members used and valued, with incentive prizes for those who respond to the survey. The board passed a motion to provide up to \$200 for the prizes (Lisa/John). Lisa is targeting the June *Nor'wester* to roll out the survey.

Outreach – James reported that 6-12 Boy Scouts were expected at the spring convention's Scout Clinic. Rick explained that he will try a different approach to restart the Club Rep program and will be contacting clubs soon. Rick also noted that the penny-squishing machine was in use at the convention with the first die. He plans for a new die to be used at each PNNA show, and possibly also for the Puyallup Fair and Willamette Club shows. The board discussed the need to develop a policy for club use of the machine, and a plan to pay for the cost of dies for member club or shared PNNA/club use of the machine.

Education – Scott is working with Larry Gaye on a seminar to be offered in the Portland area, with the timing now targeted for the fall of 2013.

Elections – Bill and Danny are starting to recruit candidates for the 2014 board elections. Bill reminded current board members who wish to run for another term to provide him with an updated short biography.

Publications – Current show calendars were made available to convention attendees.

Awards/Scholarships – Danny announced the Summer Seminar scholarship winners and previewed the awards to be announced at the annual membership meeting that evening.

New Logo / 75th Anniversary – Ed presented a rendering of a design idea for the PNNA 75th Anniversary and/or Portland ANA show medal featuring Portlandia. The board discussed the design, and Walter Ostromecki noted that the ANA would need to approve any design for use on the Portland show medal.

New Business:

Volunteer Involvement for the Spring Convention – Danny thanked the volunteers who had stepped forward to help with the spring convention and reiterated the importance of board member involvement with both annual PNNA conventions. Danny also introduced Kevin Charboneau, who will succeed Mike as General Chairman of the spring convention beginning with the 2014 show.

Territorial Scope of Organization – Danny noted that the PNNA includes member clubs in a wide geographic region, including western Canada, but that activity is focused in the greater Seattle and Portland areas and that is unlikely to change.

Membership Dues – Eric presented a proposal to change the member dues structure and reduce the need

for renewal notice mailings and hard copy mailings of *The Nor'wester*. After a discussion of the pros and cons of Eric's proposal and of other ideas, the board passed a motion (Lisa/John) to increase annual dues by \$5 per year for those members who opt for a hard copy of *The Nor'wester* in addition to the electronic copy that is otherwise provided. This change will apply to all 2014 annual renewals, and will be effective July 1, 2013 for new members and late 2013 renewals. There will be no change at this time to the life member fee, and life members will continue to receive *The Nor'wester* by mail if desired without additional charges.

ANA Chairmanship and Voluntary Committees

– Danny reviewed plans and assignments for the ANA National Money Show to be held in Portland, OR in March 2015. Danny will serve as General Chairman, coordinating with the ANA and leading the local planning efforts.

Board Meeting Location – Summer of 2013 –

Danny proposed that the board meet at a location between Seattle and Portland and suggested several dates, asking the members to respond to him by email with their preferences.

There being no further business, the meeting was adjourned at approximately 9:00 a.m.

PNNA Membership Meeting Minutes

13 April 2013, Tukwila, Washington

Board Members in Attendance: Danny Bisgaard, President; James Reinders, Vice President; Michael Labosier, Secretary; Scott Loos, Treasurer; John Brown, Director; Ed Fischer, Director; Mark Gruner, Director; Eric Holcomb, Editor, Webmaster; William McKivor, Director; Gawain O'Connor, Director; Dale Reubish, Director; Rick Schulz, Director; Dennis Stevens, Director; Dan Vornbrock, Director.

Board Members Absent: Lisa Loos, Past President; Jesse Torres, Director.

Other Members and Guests in Attendance: Kevin Charboneau; Del Cushing; Marc Duvall; James Free; Larry Gaye; Walter Ostromecki, ANA Vice President; Jim Perrou; Dennis Reed.

President Danny Bisgaard called the meeting to order at approximately 6:15 p.m. Danny welcomed the attendees and explained the meeting format.

Danny reviewed plans for the ANA National Money Show, to be held in Portland in March 2015, as well as efforts to develop a new logo to commemorate the PNNA's 75th anniversary in that same year. Designs for a commemorative medal are also being considered. Danny noted that elections for the PNNA board of di-

rectors would be held in 2014 and asked anyone interested in running for a board position to contact him or a current board member. Danny thanked the volunteers who helped with the spring show and asked that others consider assisting with the PNNA's spring and fall shows, both of which rely heavily on volunteers for their success.

Awards for exhibits at the convention were then announced (see page 4).

Danny then presented this year's PNNA awards and scholarships. Summer Seminar scholarships were presented to Ron Engholm (adult) and Cannyn Morris (YN). The Everett Award was presented to Rick Schulz for his outstanding work in organizing the numismatic presence at the Puyallup Fair. A President's Award was presented to Michael Labosier for his efforts chairing the Spring Convention for the past four years. The first PNNA Literary Awards were presented to the Boeing Employees Coin Club (1st place) and the Salem Numismatic Society (2nd place). There was no Nystrom Award this year.

Walter Ostromecki, ANA Vice President, then presented an ANA Presidential Award to Eric Holcomb on behalf of ANA President Hallenbeck, in recognition of Eric's long service to the numismatic community. Dr. Ostromecki then announced that Larry Gaye will receive Ostromecki's first ANA Presidential Award later this year, after he is sworn in as ANA President.

The meeting was then opened to a forum of the membership for comments and suggestions. Larry Gaye suggested that the PNNA's Everett Award include a plaque that recipients can keep, in addition to the perpetual plaque that recipients hold for the year after their name is added. Eric Holcomb noted that based on a vote at the board meeting held that morning, annual PNNA dues would increase by \$5 for those who want to continue receiving a hard copy of *The Nor'wester* in the mail. (An electronic copy will continue to be available to all.) This change will be effective for all 2014 annual renewals, and will apply as of July 1, 2013 for new members or late 2013 renewals. Dennis Reed commented on several matters and was supportive of the new approach to dealer hospitality offerings at the spring show the past two years. Danny Bisgaard and Gawain O'Connor reported that they had heard good feedback from dealers on this year's show, and on the presence of the ANACS grading service for the first time this year. Dale Reubish suggested that a new PNNA award be considered in memory of Michael O'Hara.

There being no further business, the meeting was adjourned at approximately 7:00 p.m.

ANA News

Veteran ANA employee Kim Kiick named Executive Director

Kim Kiick, a long-time senior manager and Director of Operations at the American Numismatic Association, has been named the Association's new executive director, replacing Jeff Shevlin, whose contract was not renewed by the ANA Board of Governors.

Kiick, who began her ANA career in 1982, supervised day-to-day operations as interim executive director from August 2011 through June 2012. She previously served as executive assistant to Executive Director Edward C. Rochette, Associate Executive Director of Operations, Membership and IT Operations Manager and Senior Administrative Manager.

"Kim has been an exemplary employee of the ANA for more than 30 years, and has been very effective in a leadership capacity for the past several years," said ANA President Tom Hallenbeck. "I strongly believe that the leader the ANA has searched for during the past few years has been on staff all along. Kim is well respected by ANA staff, the Board of Governors and by virtually every member of the Association who has met her."

"She brings a valued perspective that only a seasoned employee can have, and has repeatedly demonstrated her leadership skills over the past several years," said Hallenbeck. "Her experience includes working closely with eight different Boards over the past 15 years. She knows the organization inside and out and understands the Association's educational mission."

Kiick will assume her new responsibilities immediately. "My goal is to work with the Board of Governors and our membership to build excitement for our hobby and ensure the growth and health of our Association," she said. "In 31 years, I've seen the best and worst of times and I hope the next few years will allow us to celebrate our collective successes. We need to embrace our member and dealer communities to assist us in preserving and growing the hobby and our Association."

Hallenbeck emphasized that Kiick's selection provides for a smooth transition with no disruption of ANA services and programs to collectors and dealers. "The New Orleans National Money Show, Summer Seminar, work on the new website, major projects in the ANA Library and Museum plus all the other excellent services and programs provided to members and nonmembers for the betterment of the hobby are moving forward as planned," he said.

Hallenbeck also said the ANA is retaining Unlimited Potential, a Colorado Springs-based management consultant firm, to work with the Executive Director, Board of Governors and staff to increase the effectiveness of each and to improve communications and leadership skills.

Unlimited Potential President Beth Papiano outlined several deliverables including strategic planning. More details are available on the ANA website, www.money.org, under Communications / Press Releases.

Manley Donates Clain-Stefanelli Items to ANA Library

An array of items from the recent auction of the collections of former Smithsonian Institution National Numismatic Collection Curators Vladimir and Elvira Clain-Stefanelli have been acquired by California real estate developer and long-time coin collector, Dwight N. Manley, and donated to the ANA.

One collection provides insights into the 1950 controversy regarding the Franklin Hoard of U.S. Assay Office gold coins and ingots allegedly found in Arizona. The donation included related reports by nationally recognized numismatists John J. Ford Jr., Walter Breen, Don Taxay and Eric P. Newman. It also includes correspondence between Ford, Breen, Vladimir Clain-Stefanelli and Mint Director Eva Adams.

Manley also donated a working draft of Elvira Clain-Stefanelli's *Beauty and Lore of Coins* and her original typewritten manuscript of *Numismatics: An Ancient Science*.

These items were purchased by Manley at the Kolbe & Fanning Numismatic Booksellers auction on Jan. 12.

Once the items have been cataloged, they will be available for study in the ANA's Dwight N. Manley Numismatic Library, 818 N. Cascade Ave., Colorado Springs, Colo.
