2021 Convention & Coin Show Exhibit Reports

CANCELLED due to virus concerns! The PNNA Convention/Spring Coin Show was scheduled for April 9-11, 2021, in Tukwila, Washington.

The Pacific Northwest Numismatic Association **16th Annual Fall Coin Show** was held October 8-10, 2021, in Tukwila, Washington. All previous PNNA fall coin shows were in Portland, in cooperation with the Willamette Coin Club (WCC). This was the first PNNA Tukwila fall coin show!

According to PNNA convention chairman Kevin Charboneau, "I think the PNNA show was a great success. There was a steady stream of buyers coming through the door. The vendors I spoke with were very happy." Although a few dealers didn't come and educational activities including collector exhibits were more limited (*just one noncompetitive exhibit on the bourse floor*), overall, it was a big success for people returning to a PNNA show for the first time in two years.

2022 Convention & Coin Show Exhibit Reports

See above for the results of the 2022 competitive displays in Tukwila (at the fall show), which include awards normally given at the spring convention. There were four competitive exhibits in six cases, covering four of the six classes. Although there weren't a lot of exhibits, we are underway again! Thanks to the exhibitors!

Congratulations to the winners. They received awards for their entries. Thank you to the judges listed above, and to Eric Holcomb for serving as Chief Judge. Their work was very much appreciated.

The **PNNA Convention & Spring Coin Show** (71st Annual) was held April 8-10, 2022, at the Tukwila Community Center, Tukwila, Washington.

This was the first PNNA spring convention in three years, and was a successful return to action, even though activities such as numismatic theater, *collector exhibits*, and scout clinics were cancelled or not scheduled. According to Rick Schulz, "Dealers I talked to all reported a good show, so those attending came to buy and sell. This bodes well for upcoming local shows."

The PNNA **17th Annual Fall Coin Show** was held October 7-9, 2022, in Tukwila, Washington. This was the second PNNA Tukwila fall coin show! (The first 15 annual fall coin shows were jointly hosted with the WCC in Portland.)

In 2021, there was just one collector exhibit at the fall show, located in the bourse area, but there were a few more exhibits at the fall 2022 show, and awards were made. The location of the exhibits was in the fitness room across the hall from the bourse entrance, as at most past shows.

2024 Convention & Coin Show Exhibit Reports

See above for the results of the 2024 competitive displays in Tukwila (at the spring convention). There were three competitive exhibits, covering three of the six classes. Although there weren't a lot of competitive exhibits, we continue to be underway again! Thanks to the exhibitors!

Congratulations to the winners. They received awards for their entries. Thank you to the judges listed above. Their work was very much appreciated. Only a few People's Choice ballots were submitted, but just enough to determine a winner as noted above.

Also, thanks to the exhibitors for four non-competitive exhibits (not pictured). These included a "Coin Collecting 101" exhibit, appropriate for National Coin Week, and shown several times before, and an exhibit for which a coin had not yet been returned by a grading service, which will hopefully be shown with the coin in the future.

The **PNNA Convention & Spring Coin Show** (73rd Annual) was held April 12-14, 2024, at the Tukwila Community Center, Tukwila, Washington.

The **PNNA 19th Annual Fall Coin Show** was held October 4-6, 2024, in Tukwila, Washington, but there were no exhibits entered in advance, plus only a few cases would have been available due to an unexpected late dealer request for cases.
