Edmonton Coin

Show & Sale

dates for

2022 and 2023

Greetings,

We hope you are well and in good spirits.

As you know by now, the November 2021 show has been cancelled, and from how events are unfolding, it appears to have been the prudent decision, however difficult.

Looking toward a better future, your show management team is excited to announce the planned show calendar for 2022 and 2023.

The show dates are:

for 2022:

- 12 & 13 March 2022
- 10 & 11 September 2022

for 2023:

- 11 & 12 March 2023
- 16 & 17 September 2023

You will note that the Fall Show month has been moved to September after extensive consultation and feedback. We are certain you, your fellow volunteers, society members, dealers and attendees will enjoy the better weather.

The venue remains the same, except for a name change to The Bedford Inn & Suites.
