## **Numismatic Theater**

Educational presentations throughout the show.

All talks are free with show admission.

---

### **Saturday – April 11**

**11:00 AM**

#### **You Inherited a Coin Collection, Now What?**

**Rick Schultz, PNNA President**

Advice and discussion on ways to approach dealing with an inherited collection – whether you seek education, collecting more, or selling the collection. Time for discussion and questions/answers. Useful class for collectors to help think about what happens after they pass as well.

---

**12:00 PM**

#### **Oregon Trade Tokens: Money from Local Businesses**

**Jason Breedlove**

Before modern credit cards and gift cards, many Oregon businesses issued their own trade tokens that circulated locally as money. This presentation explores the history of these tokens, the businesses that issued them, and how collectors identify and collect them today.

---

**1:00 PM**

#### **Error Coins: When the Mint Makes Mistakes**

**TBD**

Mint errors can produce some of the most fascinating and valuable coins in circulation. Learn how mint errors happen, how to identify genuine examples, and why collectors prize these unusual coins.

---

**2:00 PM**

## **Ask Questions – Get Answers from Local Collectors**

**Coin Collectors from Various Local Coin Clubs, Led by James Reinders**

Have questions about coins?

Bring your questions about collecting, grading, storing coins, inherited collections, or getting started in the hobby. Experienced collectors will help answer questions and share advice.

The **only stupid question** is a question you have but do not ask.

---

**3:00 PM**

## **U.S. Variety Coin Collecting**

**Jimmy Krozel, Willamette Coin Club President**

The United States has produced thousands of collectible die varieties across many coin series. This presentation explores the wide range of possibilities for collecting varieties and how collectors build fascinating specialty collections.
